

KERN RIVER OUTFITTERS

Sequoia National Forest

LOWER KERN TWO-DAY TRIPS

Just a few hours from Los Angeles, the Lower Kern is a superb rafting adventure. Our two-day trip originates below Lake Isabella and ends at Democrat Beach, a distance of 20 miles. The river flows southwest through a canyon forested with willow, cottonwood, sycamore and alder. Our trip starts at a leisurely pace then quickens as the canyon steepens. Both days feature stretches of Class III and IV rapids.

MEETING TIME AND PLACE: 9:30 AM AT OUR RAFTING CENTER IN WOFFORD HEIGHTS. OUR PHONE NUMBER THERE IS 1-760-376-1455. Reservations Office 1-800-323-4234.

DIRECTIONS

From Southern California, leave the Los Angeles Basin by Interstate 5 North. Descend the Grapevine Grade and take Highway 99 North to Bakersfield. Take the Lake Isabella/Highway 178 East exit and follow the 178 to the town of Lake Isabella. At Lake Isabella, take Highway 155 North towards Kernville. Wofford Heights is mid-way between Lake Isabella and Kernville. **Our temporary Rafting Center for 2010 is located at 6643 Wofford Heights Blvd (at the intersection of Woodland Drive).**

Park your car at the back of the building and register inside. Although our parking lot is on private property, it is near a busy road. Do not leave valuables in your vehicle and make sure it is securely locked. No overnight camping is allowed at our parking area.

TRIP DETAILS

From our meeting place, we'll take you by bus to the river. Because our on-river campsite is accessible by road, it isn't necessary to carry overnight gear on the rafts. During the day, you'll probably want to carry sunscreen, a hat and perhaps a light jacket.

Before boarding your raft, your Trip Leader will discuss the trip and answer last minute questions. Guides will be introduced and passengers instructed on paddling technique, safety and general procedures.

For the first few miles, the Lower Kern is gentle and ideal for practicing the skills you'll need to navigate the rapids downstream. By the time we stop for lunch, you'll be familiar with rafting techniques and quite comfortable. After lunch the rapids get bigger and your new skills will be tested. Our campsite is just below Powerful Possum, a Class IV rapid that is one of the biggest on the Lower Kern.

We usually arrive at camp around 4:00 PM. Your overnight gear will be there and the guides will help you select a campsite. Snacks and cold drinks will be available shortly after arrival. Before dinner, hors d'oeuvres will be served.

Our second day begins with a hearty breakfast. Afterwards, personal gear is repacked, and we're ready for another river day. After portaging Royal Flush, we stop for lunch and gear up for a series of Class IV rapids called "The Big Five". The rapids come close together and we end our day navigating Pinball...an intricate, demanding rapid.

At Democrat Beach we end our trip. Our bus will take you back to Wofford Heights, about a 30 minute ride. We usually arrive there by 5:00 PM. The trailer with your personal gear will be waiting for you at our Rafting Center.

WHAT TO BRING

The Kern Valley is hot and dry in the summer months. A light change of clothes and a sweatshirt are usually sufficient for camp. Tents are not necessary for comfortable sleeping, although you are welcome to bring one. Baseball caps or other secure hats are recommended, especially for fair-skinned persons. **While on river, please wear sneakers or river sandals to protect your feet.** Please pack your gear in duffel bags or other soft luggage. It is often colder early in the season (April, May & early June) and you'll want to bring warmer clothing and a tent for those trips.

For your convenience, we have sleeping bags and tents available for rent. They should be reserved at least a week before your trip date.

WETSUITS

For most of the summer, weather in the Kern region is very warm and sunny and you'll be comfortable wearing light clothing. For early season trips, we sometimes require wetsuits. They can be rented at our Rafting Center the morning of your trip.

PADDLING THE RIVER

On our Lower Kern trips, we run virtually all paddle rafts. These are exciting, participatory boats in which four to eight guests and a guide work as a team to maneuver the raft through the rapids. Paddling requires physical effort and is sometimes strenuous. If you would prefer to ride in an oarboat (a raft rowed by a guide without guest assistance), call our office and we will try to accommodate you.

HELMETS

Safety helmets are available at no additional charge to guests joining us on any stretch of river that we run. Helmets are **REQUIRED** for all trips we run except the Lickety Split stretch on the Upper Kern. Clients expressly assume all risks associated with their refusal to use or properly use helmets.

GUIDES

Our guides are experienced, skilled whitewater boaters. They are knowledgeable about canyon ecology and natural history. Should the need arise they are trained to administer First Aid.

MEALS

All on-river meals are provided beginning with lunch the first day and ending with lunch the last day. The food is fresh and hearty and our guides will prepare it for you. We welcome your participation in helping to set up camp, prepare meals, etc. Please feel free to participate in trip work, as much, or as little, as you would like.

ALCOHOL

If you bring alcohol on your trip, we ask that you drink in moderation and only while in camp in the evening. Consumption of alcohol is prohibited while rafting or prior to rafting for your safety and for the safety of your fellow guests and our guides.

AGE LIMITS

The minimum age on our Lower Kern trips is nine years old. (twelve years old during high water) This age limit is in place for the safety of your child, the safety of our other guests and our guides.

CARE OF THE ENVIRONMENT

To protect the river, we carry out all trash and use no soap in the river. The guides will instruct you in simple procedures that minimize the impact of our group on the canyon.

YOUR HEALTH

Our Kern River trips are fun, fast and challenging. To participate, you should be in good health. You may also need to perform certain physical activities. These include basic swimming, hiking in rugged or uneven terrain, climbing in and out of rafts and assisting in your rescue, if that becomes necessary. Please let us know when you return your Release Agreement, if you have any health or dietary restrictions. We will gladly accommodate reasonable dietary restrictions with advanced notice.

RESPONSIBILITY

Trip participants should understand that river trips involve known and unknown risks. Kern River Outfitters assumes no responsibility for injuries, death or loss/damage to client's property while on the river. All clients must sign a Release and Waiver Agreement expressly acknowledging these points. Kern River Outfitters assumes no responsibility for vehicles and/or the contents of vehicles parked during the trip. Because of the risks associated with river trips, including personal injury, death, property loss or damage or financial loss in the event of trip cancellation, we urge all trip participants to supplement their own insurance with vacation insurance.

Please read and provide the personal information requested on our Participant Agreement and return it to our office well before your trip. This form is available at our website: KernRafting.com.

TRAVEL INSURANCE

We recommend you supplement personal insurance with travel insurance. Policies which include accident, cancellation, and baggage protection are available through our office, as well as most travel agents. Cancellation initiated by you may result in substantial loss of fees paid. Available insurance protects against the loss of deposits in the event you must cancel because of unforeseen circumstances.

CANCELLATIONS

If you must cancel your reservation, you may be eligible for a partial refund. Our cancellation policy is firm. We operate under stringent federal regulations which restrict the number of guests per trip and the number of trips per season. We incur substantial expenses before each trip departs. In the event of late cancellations, Kern River Outfitters cannot recover costs, nor can we make refunds. Cancellation notice must be made in writing. **Written** cancellation notice received more than 30 days prior to departure will result in a refund of trip fees less \$100 per person. **Cancellations within 30 days of a trip are nonrefundable.** If you must cancel at the last minute, and do not have vacation insurance, try to find a friend to take your place.

PERFORMANCE

It is sometimes necessary to cancel or modify a trip because of unusual circumstances beyond our control. In such cases, we cannot be responsible for paying expenses other than refunding all or part of the fees paid to Kern River Outfitters.

Determination of refunds (if any) will be made after reviewing trip details. Guides and other personnel employed by Kern River Outfitters are not authorized to make or promise trip refunds or trip credits. Such determinations can only be made by company officers.

TIPPING

Guests sometimes ask whether gratuities are appropriate. If you enjoyed your trip, please feel free to leave a tip with the Trip Leader. Guests typically leave 10% - 15% of the trip cost. Gratuities will be shared among all the guides on the trip.

PERMITS

Our trips are conducted under permit issued by the U.S. Forest Service, Sequoia National Forest. Our permit is your assurance that Kern River Outfitters is legally operating on the river. Our operations and facilities are operated on a nondiscriminatory basis.

PHOTOS OF YOUR TRIP

Kern River Outfitters will be on the river to capture your day of fun and excitement. A skilled photographer will take snapshots of you and your group as you travel down the Kern River.
