Just a few hours from Los Angeles, the Lower Kern is a superb rafting adventure. Our one-day trip originates below Lake Isabella and ends at our camp. The river flows southwest through a gorge forested with willows, cottonwood, sycamore, and alder. Our trip starts at a leisurely pace then quickens as the canyon steepens. Over the course of the day, we run some of the Lower Kern's most famous rapids and take a break early in the afternoon for a hearty lunch.

DIRECTIONS

From Southern California, leave the Los Angeles Basin by Interstate 5 North. Descend the Grapevine grade and take Highway 99 North to Bakersfield. Take the Lake Isabella/ Highway 178 East exit and follow 178 up to the town of Lake Isabella. At Lake Isabella, take Highway 155 North towards Kernville. Wofford Heights is mid-way between Lake Isabella and Kernville. Our Rafting Center is located on the right at 6602 Wofford Heights Blvd (at the intersection of Evans Road).

Park your car at the back of the building and register inside. Although our parking lot is on private property, it is near a busy road. Do not leave valuables in your vehicle and make sure it is securely locked. No overnight camping is allowed at our parking area.

AGE LIMITS

LUNCH

We take a break early in the afternoon for a delicious, riverside, deli-style lunch.

ALCOHOL

Please do not bring alcohol on your trip.

EQUIPMENT

We furnish rugged inflatable rafts, 12 to 16 feet in length. We provide accessory river equipment, life vests, first aid and safety supplies. Do not bring your own lifevest. Ours are approved for rafting and we require that they be worn by guests. On most trips, the majority of passengers ride in paddleboats. A paddleboat is piloted by a guide, assisted by four to six passengers.

HELMETS

Safety helmets are available at no additional charge to guests joining us on any stretch of river that we run. Helmets are **REQUIRED** for all trips we run except the Lickety Split stretch on the Upper Kern. Clients expressly assume all risks associated with their refusal to use or properly use helmets.

GUIDES

Our guides are experienced, skilled whitewater boaters. They are knowledgeable about canyon ecology and natural history. Should the need arise they are trained to administer First Aid.

PHOTOS OF YOUR TRIP

Kern River Outfitters will be on the river to capture your day of fun and excitement. A skilled photographer will take snapshots of you and your group as you travel down the Kern River. CD's will be available for purchase at the conclusion of your trip containing all of the photos of your raft or, if you prefer, all of the photos taken of the entire trip.

Trip participants should understand that river trips involve known and unknown risks. Kern River Outfitters assumes no responsibility for injuries, death or loss/damage to client's property while on the river. All clients must sign a Release and Waiver Agreement expressly acknowledging these points. Kern River Outfitters assumes no responsibility for vehicles and/or the contents of vehicles parked during the trip. Because of the risks associated with river trips, including personal injury, death, property loss or damage or

financial loss in the event of trip cancellation, we urge all trip participants to supplement their own insurance with vacation insurance.

YOUR HEALTH

Our Kern River trips are fun, fast and challenging. To participate, you should be in good health. You may also need to perform certain physical activities. These include basic swimming, hiking in rugged or uneven terrain, climbing in and out of rafts and assisting in your rescue, if that becomes necessary. Please let us know when you return your Release Agreement, if you have any health or dietary restrictions. We will gladly accommodate reasonable dietary restrictions with advanced notice.

PERFORMANCE

It is sometimes necessary to cancel or modify a trip because of unusual circumstances beyond our control. In such cases, we cannot be responsible for paying expenses other than refunding all or part of the fees paid to Kern River Outfitters. Determination of refunds (if any) will be made after reviewing trip details. Guides and other personnel employed by Kern River Outfitters are not authorized to make or promise trip refunds or trip credits. Such determinations can only be made by company officers.

CANCELLATIONS

If you must cancel your reservation, you may be eligible for a partial refund. Our cancellation policy is firm. We operate under stringent federal regulations which restrict the number of guests per trip and the number of trips per season. We incur substantial expenses before each trip departs. In the event of late cancellations, Kern River Outfitters cannot recover costs, nor can we make refunds. Cancellation notice must be made in writing. **Written** cancellation notice received more than 30 days prior to departure will result in a refund of trip fees less \$50 per person. **Cancellations within 30 days of a trip are nonrefundable.** If you must cancel at the last minute, and do not

have vacation insurance, try to find a friend to take your place.

TIPPING

Guests sometimes ask whether gratuities are appropriate. If you enjoyed your trip, please feel free to leave a tip with the Trip Leader. Guests typically leave 10% - 15% of the trip cost. Gratuities will be shared among all the guides on the trip.
